SentinelOne

WATCHTOWER

Expanded, AI-Powered Capabilities to Proactively Secure Your Enterprise

In today's evolving threat landscape, cybersecurity teams need the industry's most advanced real-time threat hunting capabilities to thwart cyber criminals.

To help you stay one step ahead of these advanced threats, SentinelOne is announcing the new **WatchTower Threat Hunting** with expanded capabilities. In addition to the threat detection and response tools currently available, WatchTower now provides real-time and retroactive hunting, behavioral detections, and best-in-class threat intelligence.

KEY NEW BENEFITS

+ Full Visibility with Behavioral Threat Hunting
+ Best-in-Class Threat Intelligence
+ Real-Time Protection

Accelerate Threat Hunting with New Capabilities in WatchTower

Customers who invest in the new WatchTower will receive real-time protection from SentinelOne's in-house team of threat hunting experts, and unlimited access to WatchTower's library of behavioral threat queries, indicators of compromise, and more. Backed by real-time machine learning, WatchTower customers can achieve clearer visibility into anomalous and suspicious behavior and deter threat actors.

Powered by Best-in-Class Threat Intelligence

WatchTower's findings and research detect anomalous and hands-on-keyboard threat activity with machine learning models informed by global SentinelOne telemetry, and best-in-class threat intelligence curated from our trusted sources.

VIGILANCE Respond

- Legacy WatchTower Capabilities (Emerging Threat Detection and Response)
- Detect Global Threats (Supply Chain Attacks and Post-Ransomware Activity)

WatchTower

- Behavioral Hunting (Hands-on keyboard Hunting)
- Hypothesis Hunting
- Intelligence Driven Hunting
- Threat Intelligence Reporting
- 24/7/365 Event Analysis and Recommendations

WatchTower PRO

- Compromise Assessments
- Enterprise-wide Risk Analysis
- Custom Threat Hunting
- Designated Hunter / Premium Hunting Support
- Security Posture Enhancement
- Merger & Acquisition Risk Identification / Mitigation

Plus All WatchTower Capabilities

About SentinelOne

SentinelOne (NYSE:S) is pioneering autonomous cybersecurity to prevent, detect, and respond to cyber attacks at faster speed, greater scale and higher accuracy than human-powered technology alone. The Singularity Platform offers real-time visibility and intelligent AI-powered response. Achieve more capability with less complexity.
