PRODUCT OVERVIEW

Island the Workspace for SMB

Complete benefits list · The Workspace for SMB

Cost Savings
✓ Replace five tools with one platform
✓ Eliminate VPN licensing and infrastructure costs
✓ Reduce endpoint agent sprawl and overhead
✓ Lower IT management time per user
✓ Cut vendor contract complexity significantly
✓ Reduce help desk tickets from access issues
✓ No hardware or on-prem infrastructure needed
✓ Predictable per-user, per-month pricing

Security
✓ Strong protection built in for every employee
✓ Stop data leaks at the point of use
✓ Protect sensitive data on any device
✓ Block phishing and malware in real time
✓ Prevent shadow AI and unsanctioned tool use
✓ Full audit trail for compliance and review
✓ Continuous verification — not just at login
✓ Reduce attack surface without adding agents

Productivity
✓ Employees work in a browser they already know
✓ No new behavior or training required
✓ Faster onboarding for new employees
✓ Seamless access to all apps in one place
✓ No VPN slowdowns or disconnects
✓ AI Assistant built in — ready to use
✓ Password friction eliminated completely
✓ Works the same on every device and OS

IT Simplicity
✓ One console to manage everything
✓ Set policies once — enforced everywhere
✓ Role-based admin access for IT teams
✓ Real-time alerts and activity monitoring
✓ Deploy to any device in minutes
✓ No endpoint agent installation required
✓ Integrates with existing identity providers
✓ Reduce vendor relationships and renewals

BYOD & Remote Work

- ✓ Secure personal devices without MDM enrollment
- ✓ Contractor access in minutes, not days
- ✓ Work securely from home, office, or anywhere
- ✓ Isolate corporate and personal data cleanly
- ✓ No device ownership required to start
- ✓ Self-service install — no IT involvement
- ✓ Full protection on unmanaged devices
- ✓ Consistent experience across all locations

Compliance & Risk

- ✓ SOC 2 Type II and ISO 27001 certified
- ✓ GDPR and CCPA compliant by design
- ✓ HIPAA BAA available for healthcare customers
- ✓ Data stays in your chosen region
- ✓ Comprehensive logs for audit readiness
- ✓ DLP controls reduce regulatory exposure
- ✓ Reduce insider threat risk proactively
- ✓ AI governance meets emerging regulations

Partner & MSP Value

- ✓ Single platform — one SKU to sell
- ✓ Replaces multiple vendor relationships
- ✓ Recurring revenue with predictable margin
- ✓ Easy to demo — results visible immediately
- ✓ Trial through end of month
- ✓ Strong differentiation from commodity tools
- ✓ Upsell path with add-on SKUs
- ✓ Island Academy for certification and training

Employee Experience

- ✓ No frustrating VPN connect and disconnect
- ✓ Passwords auto-filled — no more resets
- ✓ AI tools available safely and instantly
- ✓ Same experience on Mac, Windows, or mobile
- ✓ Personal browsing stays private
- ✓ Fewer security interruptions during work
- ✓ Fast, lightweight — no performance impact
- ✓ Feels like Chrome — zero learning curve
