

Drive adoption with migration and architecture services for Azure

Expand your capacity and expertise to solve your clients' technology challenges with proven Microsoft Azure Professional Services. Pax8 Professional Services provides expert guidance and best-in-class Azure project support for the diverse technical needs of Partners of all sizes, empowering you to expand your operations through scalable and repeatable, fixed-price, fixed-scope Azure services.

Achieve greater success by partnering with Pax8 Professional Services for your Azure projects.

Azure Service	Service Details
Azure and Modern Work Consultation	Optimize Azure infrastructure with strategic guidance, technical expertise, and insights to develop solutions that address your specific challenges and requirements
Azure Migration Assessments	Reduce risk and simplify migrations by determining the ideal architecture for your clients' Azure footprints and executing a migration plan that has been risk managed, based on the assessment results
Azure and Modern Work Ride-Along	Optimize Azure infrastructure through personalized support with guidance from a Pax8 Engineer to ensure an effective implementation process through each project phase
Azure Greenfield Deployment	Rebuild infrastructure, applications, data, and other business elements from an on-premises infrastructure or other cloud platform in Azure
Azure Virtual Desktop Deployment	Create and manage virtual desktops and applications in the cloud with unmatched security, scalability, and flexibility, enabling access to desktops and apps anywhere, from any device
Azure Data Migration	Facilitate cloud data migration by seamlessly syncing files across Azure Files and on-premises Windows Servers, extending on-premises file servers into Azure to provide cloud benefits while maintaining the performance and compatibility of a local file server
Azure Server Migration	Move applications, data and other business elements from an on-premises infrastructure or a cloud platform to Azure to provide a scalable, flexible, and cost-effective cloud computing environment

Partner with our Pax8 Professional Services experts to ensure successful project delivery for your clients.
