# Adobe Document Cloud

---

Adobe Document Cloud is the world's leading PDF and e-signature tools solution integrated across desktop, mobile and web. It enables complete, reliable and automated digital document and signature workflows that drive business productivity. In turn, these deliver robust customer experiences.

Document Cloud includes Adobe Acrobat Pro, Acrobat Sign and apps and services that work as standalones or integrate into your existing productivity apps, processes and systems.

---

## Adobe Acrobat

Adobe Acrobat is the complete PDF solution for working anywhere. It integrates with Document Cloud services to give you a consistent online profile and personal document hub so you can create, edit, sign, send and track PDFs wherever you are – across desktop, mobile and the web.

## Adobe Acrobat Sign

Adobe Acrobat Sign is a cloud-based e-signature service that lets you replace paper-and-ink signature processes with fully automated electronic signature workflows. With it, you can easily send, sign, track and manage signature processes using a browser or mobile device. And you can use turnkey integrations and APIs to include e-signature workflows in Microsoft Office 365, as well as your enterprise apps and systems of record.

## Document Cloud apps and services

Adobe Acrobat mobile apps – Adobe Acrobat Reader and Adobe Scan – help you get more done from anywhere. With Adobe Document Cloud, files are synced to your account so you can stay connected and get real-time activity on shared documents no matter where you are.

**Adobe Document Cloud is how business gets done – from anywhere in the world.**

## Pax8: a global leader

Since our founding in 2011 with the goal of simplifying how partners buy, sell and manage cloud, Pax8 has grown rapidly. We have expanded from an innovative startup to become an industry-leading cloud services provider with an international footprint that services more than 25,000 partners worldwide.

By connecting the channel ecosystem to our award-winning cloud Marketplace, Pax8 simplifies the way organisations buy, sell and manage cloud solutions. Born in the cloud, Pax8 modernises the cloud journey with consolidated billing, automated provisioning, simplified licence management and industry-leading PSA integrations. For Pax8 partners, this delivers an average return on investment of 249% over three years.

Ranked in the INC. 500 for the fourth year in a row as one of the fastest-growing private companies in the US, Pax8 has displaced legacy distribution by connecting partners to our award-winning cloud Marketplace.
