

### Gain Support and Expertise to Grow Your Business

#### Are you a Solo-preneur? You're not alone!

Single person MSPs face unique business and technical challenges.

- Are you struggling to learn the business operations aspects of your MSP?
- Do you wish you had other MSP professionals to lean on that know what it's like to be a one-person business?
- Are you tired of trying to figure out everything by yourself?

If you answered yes to any of these questions, **Phoenix Peer Groups can help transform you and your business into the next stage of growth and success.**

One-part group therapy, one-part best practice sharing, and one-part targeted content from our Pax8 Academy industry experts, Phoenix Peer Groups help you achieve growth by leveling up your MSP business acumen and expertise.

#### The Flight Plan

The Flight Plan for Phoenix Peer Groups helps members move their businesses forward through growth-focused content and action-oriented conversations. Each group meeting combines knowledge from subject matter experts with relevant content from across Pax8 Academy to help move your business forward.

#### Work On the Business

While most single person MSP professionals have strong technical backgrounds, many struggle with how to effectively develop and manage business operations. Phoenix Peer Groups bring together business knowledge and accountability to ensure you're working on your business—not just in it.
