

Develop Expertise and Skills to Transform Your Security Practice

Gain insights to strengthen your security posture.

Developing an effective security program that increases defensibility for your MSP and your clients can be challenging. Pax8 Academy Security Peer Groups provide proven methods, high-value insights, and accountability to elevate your security practice.

Keep current with the ever-changing security landscape and continually improve your processes by collaborating and sharing knowledge with your peers in MSP security roles.

Security Peer Groups

Develop, evaluate, and strengthen your security program:

- **Focus:** Keep your company at the forefront of security best practices by staying up to date on the latest industry developments, trends and best practices.
- **Meeting Cadence:** 2 monthly virtual meetings, 1-hour per meeting
- **Peer Group Size:** 6-10 members

CIS "Flight Plan" Peer Groups

Move your security practices forward and drive CIS compliance:

- **Focus:** Make your business more defensible by developing and implementing the 56 safeguards from the Critical Security Controls Implementation Group 1 (IG1).
- **Meeting Cadence:** 1-hour every other week (virtual)
- **Peer Group Size:** 8-12 members

Building a Community

Pax8 Academy Peer Groups are a community that empowers each participant to support all fellow members. Peer Groups provide the highest value when every member is committed to being present, actively participating, and being accountable to the group.
