General Restrictions

Pax8 Products – Territory

Pax8 Products are subject to the United States Export Administration Regulations (EAR) and thus may not be exported, re-exported or downloaded by any person in any controlled countries under the EAR. Moreover, Pax8 Products may not be exported, re-exported or downloaded by any person or entity subject to United States or international sanctions, regardless of location. C3 Partner should consult www.bis.doc.gov for lists that C3 Partner must check before accessing the Pax8 Command Console or engaging in discussions with a potential Customer.
