About Pax8

Pax8 is the technology Marketplace of the future, linking partners, vendors, and small to medium-sized businesses (SMBs) through AI-powered insights and comprehensive product support. With a global partner ecosystem of over 40,000 managed service providers, Pax8 empowers SMBs worldwide with software and services to unlock their growth potential and enhance their security. Committed to innovating cloud commerce at scale, Pax8 drives customer acquisition and solution consumption across its entire ecosystem.

KEY MESSAGING PILLARS FOR BEYOND 2025

- **Community** - Pax8 connects the doers, the builders and the bold to strengthen the channel's bonds and unleash our potential together.
- **Education** - We share insights, knowledge and hands-on guidance to help partners grow smarter, scale faster and stay ahead.

- **Innovation** - Pax8 is advancing cloud commerce by continuously evolving our Marketplace, making it faster, smarter, and built to meet the changing needs of our partners and the IT channel.
